

**New Hampshire Department of Health and Human Services
Enhanced Placement and In-Home Service Capacity Program
RFP-2018-DCYF-10-ENHAN**

ADDENDUM #1

On October 6, 2017, the New Hampshire Department of Health and Human Services published a Request for Proposals (RFP), seeking proposals from Vendors for the provision of enhanced residential treatment programming and individualized in-home community based services to youth between the ages of eleven (11) and twenty-one (21) years who may have struggled to complete treatment goals in multiple programs both in home as well as within a residential treatment setting. The Department is seeking more than one Vendor to provide services outlined in the RFP.

The Department is publishing this addendum to:

- 1. Delete and replace Section 6. Proposal Process, Subsection 6.2. Procurement Timetable, with the following:**
